Kahta kuch aur karta hai aur  
Leta hai kyun tu dil pe joor  
Batla, Batla  
Kori si raat ko bharde aaj  
Tu khol de sab raaz raaaz  
Beh ja, Beh ja  
Gupchup sa kyun hai tu yeh bata  
Kuch toh hansa ko de jagah  
Bewajah, bewajah  
Khoye khoye beparwa ho  
baton baton mein subah ho  
lamho ko le saja  
Nahi hai tu tanhaa  
Chalun main wahan  
Jahan tu chala  
Chalun main wahan  
Jahan tu chala  
Samjha bujha ke dekhte hai  
Din dukh pahle senkte hai  
Chal bane nayi kahaniyan  
Beirada sadko pe tarikho ko dhakelte hai  
Chal wahan jahan na ho gaya  
Chalun main wahan  
Jahan tu chala  
Chalun main wahan  
Jahan tu chala  
Chalun main wahan  
Kaisa bhi ho sama  
Jahan tu chala  
Rahun saath sada  
Kaisa bhi ho sama  
Rahun saath sada.
