Jai he, jai he, jai he  
Jai he, jai he, jai  
Jai hey, jai hey  
Jai he, jai he, jai  
Jai hey, jai hey  
Jhukta hai sirf do ke aage sar mera  
Pehla to hai tiranga, fauji doosra  
Har dushman hai tujhse haara  
Yeh vaada hai ab to yaara  
Saara jahan kahega  
Jai he, jai he  
Jai he, jai he, jai he  
Bujhe nahi jo hawaon mein  
Hai woh noor tu  
Sada sada se watan watan ka guroor tu  
Tere hi dum se kaayam hai aazadiyan  
Hai bandigi ke kaabil teri vardiyen  
Tu jaan se bhi zyada pyara  
Yeh vaada hai ab to yaara  
Saara jahan kahega  
Jai he, jai he  
Jai he, jai he, jai he.
