Haree om haree om  
Om purna madah, purna midam, purnat purna mudachyateh  
Purnasva purna madaya purna mebabosishyate  
Whatever we see is purna, whatever is beyond is also purna  
From purna emanates purna, if we subtract purna from purna  
What remains is purna  
Isavasyam idam sarvam yat kinca jagatyam jagat  
Tena tyaktena bhunjitha ma grdhah kasyasvid dhanam  
All things of this world, the transitory, the evanescent  
Are enveloped by the lord who is the real reality of each  
Therefore they have to be used with reverent renunciation  
Without covetousness or greed for they belong to the lord  
And not to any one person  
Yam brahma varunendra rudra marut stunanvanti devai stavai  
Vedai sangpadokramopanishadai gayanti, yam samaga  
Dhyanaavasthit tadgateha manasa pashyanti yam yogino  
Yashyatmam na me vidu suraganah devaya tasmai namah  
I offer my obeissance unto that supreme lord who is worshiped  
And adored by lord brahma, lord varuna, lord rudra shiv, lord  
Maruta air, whose very name iss recited inn the vedic hymns, whom  
The yogis meditate upon and whom the demigods don' t know  
Mukam karoti vacalam, paggum lagghayate girim  
Yatkrpa tamaham vande, paramananda madhavam  
My sincere salutations to that madhava, whose divine grace makes  
The dumb elokuent and the cripple cross mountains  
Ya kundendu tushara haradhavala, ya shubhravastravriha  
Ya veenavara dandamanditakara, ya shwetha padmasana  
Ya brahmachyutha shankara prabhritibhir devaisada vanditha  
Sa mam patu saraswatee bhagavatee nihshesha jadyapaha  
May that goddess sarasvati, who completely destroys dullness  
Of intellect, who is beautiful like kunda flower, the moon  
And a neckless of dew, who is clad in white garments, whose stute  
Hand is adorned with the excellent vina, who has white lotus  
As her throne and who is always respectfully greeted by lord  
Brahma, lord vishnu and lord shiva etc - protect me.  
Namostu te vyasa vishalabuddhe phullara vindayata patranetra  
Yena tvaya bharatatailapurnah prajvalito jnanamayah pradipah  
Obeissance to thee, o vyasa of great intellect, with eyes like the  
Petals of a full-blown lotus for, u have brightened the flame  
Of knowledge by feeding it with the richness of mahabharata  
Vyasaya vishnu roopya vyasa roopaya vishnave  
Namo vai bhramha nidhaye vasistaya name namaha  
Lord vishnu is inn the form of veda vyasa & vyasa himself is in the  
Form of lord vishnu! such is the greatness of veda vyasa  
Om sahana vavatu sahana bhunattu, saha viryam karavavahai  
Tejasvinavaditamastu, ma vidvishavahai  
Together may we be protected, together may we be nourished  
Together may we work with great energy  
May our journey together be brilliant and effective  
May there be no bad feelings between us  
Om shanti shanti shanti, om peace peace peace
