Jal jaane do is duniya ko duniya ko
Jab ismein sachcha pyaar nahin
Yahaan dil thukraaye jaate hain
Aur koi aur koi
Aur koi kisi ka yaar nahin
Jal jaane do jal jaane do
Ye garaz nahin ye garaz nahin
Koi khudgarzon ki basti hai
Inhen lenē ko inhen lene ko
Taiyyaar hain sab
Dene ko koi taiyyaar nahin
Jal jaane do jal jaane do
Aankhon mein kisi ki sharam nahin
Sab ek haram ke nange hain
Aankhon mein kisi ki sharam nahin
Sab ek haram ke nange hain
Matlab ke matlab ke hain
Laakhon dost magar
Gham khwaar nahin
Gham khwaar nahin
Jal jaane do jal jaane do
Jal jaane do is duniya ko is duniya ko
Jab ismein sachcha pyaar nahin
Yahaan dil thukraaye jaate hain
Aur koi aur koi
Aur koi kisi ka yaar nahin.
