Pyar ka dariya sa  
In sanso mein ubalta hai  
Mat karo der ke ab  
Dil nahin sambhalta hai  
Ek toofan sa lehrata hai  
Jawani mein  
Aag hum dono laga denge  
Aaj iss paani mein  
Jal raha hai badan  
Kaisi hai ye agan  
Jal raha hai badan  
Kaisi hai ye agan  
Hoth khamosh hai  
Dil ye madhosh hai  
Kaise rahe hosh mein  
Chaahat ki hai mastiya  
Kitni hai baichaniya  
Sanso mein hai andhiya  
Jal raha hai badan  
Kaisi hai ye agan  
Hoth khamosh hai  
Dil ye madhosh hai  
Ye chaahat ka har  
Pal khubsurat hai  
Dono ko ek duje ki zarurat hai  
Tu hai ek nashila sa sanam jadu  
Teri bhigi bhigi si mohobat hai  
Dil mein hai ek chubhan  
Kaisi hai ye agan  
Hoth khamosh hai  
Dil ye madhosh hai  
Baaho mein aake tere  
Pighalte hai  
Masti ke aalam mein  
Hum machalte hai  
Har ek lamha karta hai  
Ye deewana  
Dono karwat chaahat  
Mein badalte hai  
Behka behka hai mann  
Kaisi hai ye agan  
Hoth khamosh hai  
Dil ye madhosh hai  
Kaise rahe hosh mein  
Chaahat ki hai mastiya  
Kitni hai baichaniya baichaniya  
Sanso mein hai andhiya  
Jal raha hai badan  
Jal raha hai badan  
Kaisi hai ye agan  
Kaisi hai ye agan  
Jal raha hai badan  
Jal raha hai badan  
Kaisi hai ye agan  
Kaisi hai ye agan.
