Jamaane me sabhee ko, milate hain gham tum naa ghabraana
Yaha har raat kee subhah hai hamdam tum naa ghabraana
Jamaane me sabhee ko, milate hain gham tum naa ghabraana
Chura lo tum khushee ke pal mukaddar ke khajane se
Bhala tab dur hote hain yeh gham aansu banane se
Tumhaare saath hona ho yeh aalam tum naa ghabraana
Jamaane me sabhee ko milate hain gham tum naa ghabraana
Sambhal jaao sambhal jaao, abhee girake sambhalna hai
Utho vaade nibhane hain, utho kuchh dur chalana hain
Challenge toh manjil paayenge tum naa ghabraana
Jamaane me sabhee ko milate hain gham tum naa ghabraana
Yaha har raat kee subhah hai hamdam tum naa ghabraana
