Maine rakhalee jan hathelee pe, mai sadke prem pahelee pe
Mujhko nahee jina marna hai, jaldee karlo jo karna hai
Mujhe darya vich dub jane do, thehro tufan toh aane do
Jan o meree jan
Mere sine mai tera dil dhadke, tere sine me mera dil
Alag alag abb jina hai mushkil marna hai aasan
Jan o meree jan -2, o meree jan meree jan
Chup reh ke khamoshee se maine tujhe pukara bhee
Kabhee kabhee inn aankho se maine kiya ishara bhee
Tere ishare mai nahee samjhee mai kaisee nadan
Jan o meree jan -2, meree jan
Tere nam se hi mujhko duniyawale janenge
Teree surat dekhke abb log mujhe pehchanenge
Mai teree pehchan banungee too meree pehchan
Jan o meree jan -2, meree jan
Iss duneeya kee najron se hamko dur nikalna hai
Lekin tujhko yad rahe hath pakadkar chalna hai
Yaha talak toh thik tha aage rasta hai anjan
Jan o meree jan, jan mai teree jan teree jan
Mere sine mai tera dil dhadke, tere sine me mera dil
Alag alag abb jina hai mushkil marna hai aasan
Jan o meree jan, jan mai teree jan teree jan
Jan mai teree jan teree jan
