Zindagi mein thi tujhse khushi
Charagon mein thi tujhse roshni
Haan meri har khushi tujhse judi
Ab kahin nahi chain do ghadi
Tujhko dhoondhu main kahan Jaana.. jaana.. (x4) Tu Koi humnasheen, na koi meherbaan
Bin tere kuch nahi hai yahan
Dhoop hai kadi, na hai sahibaan
Tu jahan hai, main hoon wahan Meri har khushi tujhse judi
Ab kahin nahi chain do ghadi
Tujhko dhoondhu main kahan Jaana, jaana.. (x2) Tu gayi magar, teri yaad hai
Tu meri zameen aasmaan hai (x2)
