Janm bhoomi pe jaan lutate hai  
Sarhado pe jo hans ke jate hai  
Kitni paawan ye deshbhakti hai  
Inka sahas hi apni shakti hai  
Parbhu jeevan pe inki  
tum apni kirpa karo  
Sare sankhat ko pal me harlo  
Janm bhoomi pe jaan lutate hai  
Sarhado pe jo hans ke jate hai  
Kitni paawan ye deshbhakti hai  
Inka sahas hi apni shakti hai  
Parbhu jeevan pe inki  
tum apni kirpa karo  
Sare sankhat ko pal me harlo  
Mushkilo ki ghadi samne hai khadi  
Har mushkil se unko bachana  
Rah bhatke na wo Kahi atke na wo  
Rah unko parbhu ji inko dikhana  
Man me sabke yahi aasha hai  
Dur hogi wo jo nirasha hai  
Sare bandan to todh aaye wo  
Apni manzil ko pa hi jaye wo  
Parbhu jeevan pe inki  
tum apni kirpa karo  
Sare sankhat ko pal me harlo  
Tu bhagwan hai tu na anjaan hai  
Har pal ka tujhe ghayan daata  
Kamana hai yahi archana hai yahi  
Bas raksha tu karna vidhata  
Rah mushkil hai dur manzil hai  
Tu hi kasti hai tu hi sahil hai  
Aasra tera agar mil jaye  
Gir gir ke bhi wo sambhal jaye  
Parbhu jeevan pe inki  
tum apni kirpa karo  
Sare sankhat ko pal me harlo  
Janm bhoomi pe jaan lutate hai  
Sarhado pe jo hans ke jate hai  
Kitni paawan ye deshbhakti hai  
Inka sahas hi apni shakti hai  
Parbhu jeevan pe inki  
tum apni kirpa karo  
Sare sankhat ko pal me harlo  
Sare sankhat ko pal me harlo  
Sare sankhat ko pal me harlo.
