Janam janam janam janam rahenge sang sang rahenge ham  
Kadam kadam kadam kadam challenge sang sang challenge ham  
    Todenge na apni kasmlein  
    Chodenge na apni rasmein  
    Bole bole chudiya bole bole kangana  
    Kabhi chute kabhi chute ab sang na  
Janam janam janam janam rahenge sang sang rahenge ham  
Kadam kadam kadam kadam challenge sang sang challenge ham  
    Kal ki yaha khabar kaha jo hai abhi yahi pal hai  
    Is pal ko jee le chalo saanson mein yeh halchal hai  
    Jo saamne hai palko ke sach mere yaar hai  
    Jo reh jaaye duniya mein woh sirf pyar hai  
    Preet ke rang mere rangeele chadhe koi duja rang na  
Janam janam janam janam rahenge sang sang rahenge ham  
Kadam kadam kadam kadam challenge sang sang challenge ham  
    Sang agar ho dilbar har mausam saawan hai  
    Aah saawan hain  
    Sang agar ho dilbar har mausam saawan hai  
    Jismein tera chehra basa aankh nahi darpan hai  
    Jo barse hai adro se amrit ki dhaar hai  
    Jo aati hai aanchal se sachhi bahaar hai  
    Sapne sajaungi mein jag ko bhulaaungi mein  
    Chodungi na kabhi tera angnaa  
Janam janam janam janam rahenge sang sang rahenge ham  
Kadam kadam kadam kadam challenge sang sang challenge ham  
    Todenge na apni kasmlein  
    Chodenge na apni rasmein  
    Bole bole chudiya bole bole kangana  
    Kabhi chute kabhi chute ab sang na  
Janam janam janam janam rahenge sang sang rahenge ham
