Janam janam janam  
Mai rahu na rahu tu rahe na rahe  
Mar ke bhi juda hoge na ham  
Janam janam janam  
Tu meri jaan hai mai teri jaan hu  
Ek but hu tere bina bejan hu - 3  
Mai zamane ki khushiyo se anajan hu  
Ik khushi hai mujhe tera araman hu  
Nikalega ye tere baho me dum  
Janam janam janam  
Tu nahi pas hoti to lagata hai ye  
Khatm hote nahi dard ke silasile  
Do musafir juda ho na ek rah ke  
Pyar me rab kisi ko judai na de  
Ji rahi hu me hai ye tera karam  
Janam janam janam  
Tu mili to mohabbat ke ye sur saje  
Mujhako aane lage zindagi ke maze  
Dil ki dhadkan ke ye taar bajane lage  
Ab ye hasarat hai hatho pe mehendi saje  
Do badan hai ek jan hai ham  
Janam jaanam janam  
Mai rahu na rahu tu rahe na rahe  
Mar ke bhi juda hoge na ham
