Javaanee se abb jang hone lagee, yeh cholee meree tang hone lagee  
Koyee maare aankhō se, koyee maare ishaaro se  
Javaanee se abb jang.....  
Umrr kaisee bhala aayee hai mastiyā kaun see laayee hai  
Kaisee naadaan hu, mai toh pareshaan hu  
Tauba meree karu mai kya  
Koyee dil ko churaata hai, koyee paise lutaata hai  
Band botal hai kyun chume hosh me naa rahe jhume  
Dekh toh dilruba sochata hai tu kya, sabse badhake nasha mera  
Ishk me koyee hara hai ho ho ho ho, koyee kadaka kunvaara hai  
Javaanee se abb jang.....
