Jay bholenath jay ho prabhu,
Sabse jagat me uncha hai too
Iss dar se chhota bada koyee na khalee gaya
Par khalee hai aanchal meraa
Jay bholenath jay ho prabhu,
Har dag dhulata hai yaha, dhulata yaha,
Har bhagya khulta hai yaha, khulta yaha,
Are mai bhee usee dar pe
Aaya banatee sabkee bigadee jaha
DhunghaA jamin aasman
Meraa toh sab kuchh yaha
Abb main aur jau kaha,
Abb aas do malik too hee, oA malik too hee,
Kahee chain mujhe milta nahee ha milta nahee
Are din ke ujale me khoya mere dil ka tukda kahee
Mujpe bhee teree ho chhanv na mulk mangu na ganv
De de mere bachhe ko panv
Jay bholenath jay ho prabhu,
Sabse jagat me uncha hai too.
