Jay jay ambe jay jagdambe
Sinhavahini shaktidayini jay he bhagyavidhata
Vijayakarini jay he shaktipradata
Jay jay ambe
Teree kripa se maiya par lage yeh naiya
Woh rahe nirbhay jis pe ho teree chhaiya
Jag me dayalu koyee tujhe shish jhukata
Jay jay ambe
Andhe ko de jyotidan gunge ko de juban
Nirbal ko kare balavan jagat mahan mahima teree
Teree lagan jise lagee hai puree
Usakee rahe na koyee aas adhuree
Jay jay ambe
Ek hath me khadag duje me phul tin trishul rup niral
Sinh pe ho ke savar shatru ke dvar karane sanhar chalee jagat jvala
Asuron kee chalane na de manmanee
Jay jay ambe
