Janmbhumi ke saput bolate chale  
Jay he, jay he, jay he, jay he  
Aaj saari bediyon ko kholate chale  
Jay he, jay he, jay he, jay he  
Iss jamin par dushmano ke pair hai jamein  
Ek ek pair ko uthaane chal diye  
Pair toh kya pairon ke nishaan bhi na rahe  
Dushmano ka har nishaan mitaane chal diye  
Unton pe yeh naara leke dolate chale  
Jay he, jay he, jay he, jay he  
Ek ek baat ka hisaab maangane  
Chal pade sawaalon ke jawaab maangane  
Aandhi mushkilon se khelate chale  
Parwaton ko bhi pare dhakelate chale  
Shabd shabd woh jubaan kholate chale  
Jay he, jay he, jay he, jay he  
Janmbhumi swarg se kahin haseen hai  
Isaki ek ek baat behtareen hai  
Kho gaya hai maan jo dilaane chal diye  
Isaki wohi shaan phir banaane chal diye  
Saans mein bandhi hawa ko kholate chale  
Jay he, jay he, jay he, jay he  
Janani janmbhumishchya swargaati?? Asi.
