Na khajar uthegaa na talavaar tumase
Aaa ye baazu mere aazmaye hue hai
Ye baazu mere aazmaye hue hai
Aur pahachaanataa hun
Khub tumhaari nazar ko mai
Bhai Jaane na dungaa
Haath se dil aur jigar ko mai
Dil aisi shah nahi hai jo
Kaabu me rah sake
Dil aisi shah nahi hai jo
Kaabu me rah sake
Dil aisi shah nahi hai jo
Kaabu me rah sake bhai
Samajhaaun kis tarah ke is tarah
Samajhaaun kis tarah ke is tarah
Samajhaaun kis tarah
Ye kisi bekhabar ko mai
Aayi hai unake chaand
Se chahare ko chum kar
Aayi hai unake chaand
Se chahare ko chum kar
Bhai ji chahata hai chum
Lun apani nazar ko main
Go zulm behisaab kiya is nigah ne
Rusavaa kiya kharab kiya is nigah ne
Go zulm behisaab kiya is nigah ne
Rusavaa kiya kharab kiya is nigah ne
Ik kaam laajavaab kiya is nigah ne
Jo tujhako itakhaab kiya is nigaah ne
Jo tujhako itakhaab kiya is nigaah ne
Bhai ji chahata hai chum
Lun apani nazar ko mai
Ji chahata hai chum
Lun apani nazar ko mai
Ji chahata hai chum
Lun apani nazar ko mai
Ishq par zor nahi hai
Ye vo aatish fitanaa
Ishq par zor nahi hai
Ye vo aatish fitanaa
Ishq par zor nahi hai
Ye vo aatish fitanaa
Ke lagaaye na lage
Aur bujhaaye na bane
Ab tum hi kaho ki kya ji chahata hai
Ji chahata hai ji chahata hai
Vo sadaa dur dur rehata hai
Naasihaa tu durust kahataa hai
Usape marane se kuchh nahi haasil
Aah bharane se kuchh nahi haasil
Bemuravvat hai bevafaa hai vo
Mere dushman kaa aashna hai vo
Ab use chodanaa hi behatar hai
Ye bharam todanaa hi behatar hai
Maanate hai tere nasihat ko
Haay par kya kare tabiyat ko
Bhai Ji chahata hai&
Pichhale pahar jab os pade
Aur thandi pavan chale
Birahaa agan moraa tan
Man phunke suni sej jale
Sab sakhyaan chali pi ko rijhaane
More sajan hai dur thikaane
Aur meraa bhi ji chahata hai
Kyo aag pe marate ye
Ham nahi kah sakate
Ji chahata hai ji chahata hai
Surat kaa savaal hai
Na sirat ki baat hai
Ham tum pe mar mite
Ye tabiyat ki baat hai
Bhai ji chahata hai
Ji chahata hai ji chahata hai
Ji chahata hai ji chahata hai
Ji chahata hai chum
Lun apani nazar ko mai.
