Hmm jinako jinko bhi milana hai likha, ishq milawayega
Dur durse dhund dhund ke, paas le aayega
Kahi bhi jake chhupo, ishq wahi aayega
Kitana bhi na na karo, uthake le jayega
Mano ya na mano, ye sarihi duniya isike dumpe chale
Jee le jee le ishq me, marana hai to mar mar bhi le ishqme
Jee le jee le ishq me, marana hai to ha mar bhi le ishqme
Jate jate hum, in palokobhi sath le jayenge
Batobato main jo bani hai wo, baat le jayenge
Jara bhulakkad hai dil, ye bhul jaye agar
Yaad dilana humey, ye paniyokaa shehar
Ye pal kam na ho, kabhi khatam na ho, ab dil kahi bhi chaley
Jee le jee le ishq me, marana hai to mar mar bhi le ishqme
Jee le jee le ishq me, marana hai to ha mar bhi le ishqme -2
Jab sahilpe hum pahuchenge to khidhar jayenge
Apne apne ghar jayenge ya, ho apne ghar jayenge
Isi safar me sehi naya safar lenge hum
Jaha bhi bologe tum, kahi utar lenge hum
Gali bhi de do to, kabhi na chodenge, aise padenge galey
Jee le jee le ishq me, marana hai to mar mar bhi le ishqme
Jee le jee le ishq me, marana hai to ha mar bhi le ishqme
Ha mar bhi le ishqme - 4, jee le
