Ek masla hai jo sulajhata nahi hai  
Ek baadal hai jo barasta nahi  
Kuch the parinde ghar  
Chhod ke jo ud baithe  
Kuchh chehare peele peele  
Dar dar ke jo jee te hai  
Jannat me kiska majahab kya hota hai  
Rota hai aasmaan jab baccha rota hai  
Taakat ki ladaayi ladani hai tum lad lo  
Ye jannat hai jinki unko to jeene do  
Jeene do ab jeene do,  
Jeene do ab jeene do  
Ghmjadaa chehare khud ki  
Talaash mein jo gham hai  
Bekaraar aankhe kuchh  
Sune daricho pe naam hai  
Andhere hai gahare suraj  
Bhi maddam maddam hai  
Roshani ki gujaarish hai ek gujaarish hai  
Jeene do ab jeene do,  
Jeene do ab jeene do  
Taakat ki ladaayi ladani hai tum lad lo  
Ye jannat hai jinki unko to jeene do.
