Jeevan kya hai jeevan kya hain  
Bolo bolo jeevan kya hain  
Puchho puchho jeevan kya hain  
Jeevan kya hai jeevan kya hain  
Bolo bolo jeevan kya hain  
Puchho puchho jeevan kya hain  
Jeevan ek paheli jeevan ek paheli  
Jeevan ek paheli jeevan ek paheli  
O jeevan kya hai jeevan kya hain  
Bolo bolo jeevan kya hain  
Puchho puchho jeevan kya hain  
Kukada dekh sabhi lalchaye  
Nache dede karmotaal  
Aanch lage toh gaal phulaye  
Aise picheke picheke gaaye  
To samaj ne aayi aye  
To mushkil hain bhai  
Main batau batana yaar  
Aanch lage toh gaal phulaye  
Yeh iski majboori  
Sabka jee lalchata hain jab  
Bhookh mein dikhati hai  
Poori sabaas  
O jeevan kya hain jeevan kya hain  
Bolo bolo jeevan kya hain  
Puchho puchho jeevan kya hain  
Kaan pakad ke use padhau  
Agar na aaye to main chid jaau  
Saare nazare saaf dikhau  
Khub suraksha main karvaun  
Uttar di jeeye baba  
A darpan nahin  
To mastarji chhata  
Papa ko to kuch bhi nahin aata  
Main bataun chasma  
O jeevan kya hai jeevan kya hain  
Bolo bolo jeevan kya hain  
Puchho puchho jeevan kya hain  
Ik cheez aisi duniya mein  
Sab ko sabkuch deti hain  
Ishwar jaisa roop hain uska  
Kisi se kuch nahi leti hain  
Bolo samaj mein aayi  
Ye toh bahut hi mushkil hain didi  
Iska uttar main deti hoon  
Ishwar jaisa roop hain uska  
Hum sab bachcho ki woh jaan  
Usko hum sab kahete hain maa  
Usko hum sab kahete hain maa  
Maa o maa maa o maa  
O jeevan kya hain jeevan kya hain  
Bolo bolo jeevan kya hain  
Puchho puchho jeevan kya hain  
Aao meri aankha ke taaro  
Aao meri aankha ke taaro  
Aao kare rangreli  
Mere bachcho ab  
Puchho meri ik paheli  
Aacha batao kaunsa fal hain  
Sab se mittha  
Aur kaunsa fal hain  
Sab se kadva hmm..  
Achha main batati hoon  
Sabra ka fal hain sab se mitha  
Yuddh ka fal hain kadva  
Achha ye batao kaun hain  
Jag mein sab se achhe  
Aur kaun hai jag mein  
Ab se sache  
Ye to bahut iszee hain  
Bache bache haa..  
La laaa la laa la laa la laaa&.  
La laaa la laa la laa la laaa&.
