Jholu ram padhare
Kare kalyaan sada re
Nagada dhol bajaa
Shankh baja re
Hey jholu ram ram ram
Biwi ki zimmedaari
Dukhon se paany bhaari
Mahapurushon ki sabhi
Inhone nath utaari
Tigada dha dha
Tigada dha dha pranaam
Jholu ram padhare
Kare kalyaan sada re
Nagada dhol baja
Shankh baja re
Hey jholu ram ram ram
Kachehari mein kaanoon
Judjon ko padha ke
Vakeelon ki daleelon ko
Yeh to item song bana de
Always surrounded
By women
Wine and money
You will never
Find me lonely
What to do ladies
And gentleman
My image is
Like that only
Keharwa mein hip hop
Ko damru baja de
Madaari ke bandar ko
Bada sa king kong bana de
Inhein complex badi
Koi to hai beemari
Kar ke paida inhein
Bole kaaynaat saari
Tigada dha dha
Tigada dha dha haaye raam
Jholu ram padhare
Kare kalyaan sada re
Nagada dhol bajaa
Shankh baja re
Hey jholu ram
Ram ram ram ram
Paanch foot chhah
Inch bhar ki jawaani
Killer combination hai
Par ghar mein daal makhaani
Ambition temptation frustration
Ambition temptation frustration
All three are affecting my digestion
To be or not to be
Is the golden question
Are you understanding the
Delicacy of the situation ae
Ae sawaalon ki chargesheet
Jisne bhi taani
Table ke yeh neeche se
Deke aaye kharcha paani
Inhein free gift mein
Hi mili hai yeh hoshiyaari
Besuri kismaton ko
Sikhaaye raajdaari
Tigada dha dha
Tigada dha dha kohraam
Jholu ram padhare
Inko salaam bacha re
Nagada dhol bajaa
Shankh baja re
Hey jholu ram
Ram ram ram ram
Walking trouble
Talking trouble
Trouble on his mind
Morning trouble

Evening trouble
Man ke peechhe blind
One of a single kind
Jise whole world thoking
Salaam he is mine jholu ram
Ram ram ram ram
Aaye haaye jholu ram.
