Duniya se pary ek wadi hai us waadi mein ek nagri hai
Us nagri mein din raat alag us nagri ki haar baat alag
Haan sun sun sun sun satyawachan tu.....
Hai choti si nagri jis ki yeh kahaani hai
Jahaan baarah mahine jo rut hai suhani hai
Jahaan peyron ki chaya bichti hai raste raste
Jahaan daali daali se hain phul baraste
Anjaan duniya se log hain sabhi
Nagri yeh kab se hai wahin ki wahin
Jhunjhunhun - 3 ma pastmaa
Ho kaisi nagri banaai raama
Logon ke apne khushi aur gham hain
Duniya ki batain sochte kam hain
In ki yeh be-dhayaani karti hai kaisi haani
Bole janon ko baaton mein laa ke kuch behlaa ke kuch behkaa ke
Karti hain jo gayaani karte hain be-imaani
Jahaan peyron ki chaya bichti hai raste raste
Jahaan daali daali se hain phul baraste
Anjaan duniya se log hain sabhi
Nagri yeh kab se hai wahin ki wahin
Jhunjhunhun - 3 ma pastmaa
Ho kaisi nagri banaai raama
Chup ke se phaila hai jo andhera us mein laga hai jhut ka दौरा
Saara yeh jo chhal hai bas pal do pal hai
Hat jayenge aankhon se jaale jaag uthenge sone wale
Aane ko woh pal hai sungh le jo nirbal hai
Jahaan peyron ki chaaya bichti hai raste raste
Jahaan daali daali se hain phul baraste
Anjaan duniya se log hain sabhi
Nagri yeh kab se hai wahin ki wahin
Jhunjhunhun - 3 ma pastmaa
Ho kaisi nagri banaai raama - 3
Jhunjhunhun - 3 pastaama
