Ek jara josh me jo aaye, chaand ko bhee woh jamin pe laaye  
Woh bhawar me jo kabhee gir jaaye, ek tinka aadamee ko bachaaye  
Jung abhee jita nahee hain yaaro, mai bhee haara nahee hu yaaro  
Jina kya jivan se haar ke - 3  
Jo har saans jee gaya marane kaa usako gham nahee  
Kehatee hai dhaara, kehta hai gagan  
Kehata hai yeh mann jis me hai lagan  
Dil tutne pe bhee nagame gaaye pyaar ke, pyaar ke, pyaar ke  
Jina kya jivan se haar ke  
Kaalee ghaneree raat me chandane khil jaayegee  
Tujhe andhero me kahee roshanee mil jaayegee  
Rehta nahee saaree umrr saathee yeh gardish kaa safar  
Detee hai manjil kaa pata, kaaton bharee mushkil dagar  
Hoga kal kya soch naa, jo bhee hai bus aaj hai  
Kab kahaan jaaye badal wakt kaa yeh mijaaj hai  
Kya hai sukh aur dukh hai kya, chaar din kee baat hai  
Dard me aaraam hai aansu hasee ke saath hai  
Jina kya jivan se haar ke
