Kya bemurawat kalk hai sab jama hain bismil ke pas  
Tanha meraa katil raha koyee nahee katil ke pas  
Jinake hontho pe hansee panv me chhale honge  
Han wohee log tumhe dhundhane wale honge  
Han wohee log tujhe chahane wale honge  
Andaj apne dekhate hain aayine me woh  
Aur yeh bhee dekhate hain koyee dekhata naa ho  
May barasatee hai fajao pe nasha taree hai  
Mere sakee ne kahee jam uchhale honge  
Unase mafahum-e-gam-e-jist ada ho shayad  
Ashk jo daman-e-mijagan ne sambhale honge  
Shamma le aaye hain ham jalwagah-e-janan se  
Abb do aalam me ujale hee ujale honge  
Ham bade naj se aaye the teree mehfil me  
Kya kabar thi lab-e-ijahar pr tale honge
