The fear of algebra is none
When you learn it, its full of fun
The fear of algebra is none
When you learn it, its full of fun
Once you note the value of x and y
I promise you score very high
So children, today we will solve
This equation with the rule of
B o d m a s, bodmas
Solve the brackets first, bodmas
Order come after that, bodmas
Divide and multiply, bodmas
Then you add and subtract,
Bodmas bodmas
So children now you all tell me
What is the answer, 46, correct
Bodmas bodmas bodmas
Bodmas bodmas bodmas
Bodmas bod bod mas
Bodmas bod bod mas, bodmas.
