Jinhe karna tha dil abaad apna
Wo hi chale aaj barbaad ho kar
Jinhe thi talash masarrato ki
Laut chale hai aaj nashad ho kar
Aaj husn ke ragi ashiyan ko
Zalim ishq ne loota saiyad ho kar
Ek sine se laga barbaadiyo ke
Ek khush hai aaj abaad ho kar
Ek doli mein baiithi suhag lekar
Ek jati hai zer e zami dekho
Kamakhbar ke pahane libas ik ne
Aur ek hai khaganashi dekho
Jisaki lash pe koi na roye aakar
Yahi hai wo mah e zabi dekho
Ek tahani ke dono hai phool lekin
Ek muraajhaya hai ek hai khun dekho.
