Hey hey hey hey hey... aa ha ha hey hey hey...
Jisane sapana dekha usane rab ko dekha
Rab ne usako dekha jisane sapana dekha
Koyi ameer hai, koyi gareeb hai
Toh koyi raaja hai, koyi fakir hai
Koyi baat nahi

Hey hey hey hey hey... aa ha ha hey hey hey...
Jindagi mein udaan hai, sapano ke dum se
Aasmaan chhu lo, yeh kehate hai hamase
Rang armaano mein bharate hai yahin sapane
Sapane sau ummid bhi laate hai sang apane
Koyi ameer hai, koyi gareeb hai
Toh koyi raaja hai, koyi fakir hai
Koyi baat nahi

Tutkar sapane bikharane se jo darate hai
Jindagi ki jung ladane se woh muh karate hai
?? palakon mein naye khaab sajane do
Kuchh hasin lamahon ke saaj dil mein bajane do
Koyi ameer hai, koyi gareeb hai
Toh koyi raaja hai, koyi fakir hai
Koyi baat nahi

Hey hey hey hey hey... aa ha ha hey hey hey...
Rukh hamein haalat ka modana hoga
Baaji toh har haal mein jitana hoga
Tod denge dushmano ke har iraadon ko
Hum nibhaayenge kiye jo apane waadon ko
Nahi rukenge hum, nahi jhukenge hum
Koyi jo roke toh use mita de hum
Hey hey hum bhi toh kam nahi
Jisane sapana dekha usane rab ko dekha
Rab ne usako dekha jisane sapana dekha
Koyi ameer hai, koyi gareeb hai
Toh koyi raaja hai, koyi fakir hai
Koyi baat nahi

Hey hey hey hey hey... aa ha ha hey hey hey...
Bas dekho, bas dekho, bas dekho sapana haan
Dekho, bas dekho, bas dekho sapana haan haan
