Kabhi kya hai yeh socha hamaare liye hai kya kya chhupa waqt mein
Ke dar na kisise kaisa bhala khuli hai raahein
Come on come on come on, hame mauka yeh jo mila hai toh
Come on come on suno, huva kal jo bhi use jaane do
Chhodo bhi kal ki baatein, kal kabhi na woh badalega
Haan ek aur kal hai jo aage hamaare, kuchh hamein hai kar dikhaana
Ke jaane us kal mein hai kya, yeh toh jaane koi na
So come on come on suno, jiye hum har lamha
Jaane kisi bhi pal mein, kyun bewajah raahein juda ho jaaye
Aur aise mein na ho, ke dil ke koi sapane baaki reh jaaye
Come on come on come on, hame mauka yeh jo mila hai toh
Come on come on suno, huva kal jo bhi use jaane do
Chhodo bhi kal ki baatein, kal kabhi na woh badalega
Haan ek aur kal hai jo aage hamaare, kuchh hamein hai kar dikhaana
Ke jaane us kal mein hai kya, yeh toh jaane koi na
So come on come on suno, jiye hum har lamha
Yeah yeah.....
Come on come on suno, jiye har lamha
Chhodo bhi kal ki baatein, kal kabhi na woh badalega
So come on come on -3 suno, jiye hum har lamha
Yeah yeah..... wo wo.....
