Jiyenge jab talak ham unakee bate yad aayengee
Kushée kee chhanv me gujaree woh raate yad aayengee
Maine kya kiya sitam yeh maine kya kiya
Ik sathee mila tha ulafat kaa, usako bhee kho diya
Maine kya kiya
Khoyee huyee kisee kee woh surat najar me hai
Dil me hai jakm dage mohabbat jigar me hai
Ek chahane wale ko maine badala kya diya
Maine kya kiya sitam yeh maine kya kiya
Ik sathee mila tha ulafat kaa usako bhee kho diya
Maine kya kiya
Chubhane lagee hai abb toh
Chubhane lagee hai abb toh inn aankho me nind bhee
Hatho se apne lut lee apni hee jindagee
Rote hain unakee yad me kisamat se kya gila
Maine kya kiya sitam yeh maine kya kiya
Ik sathee mila tha ulafat kaa usako bhee kho diya
Maine kya kiya
Dil kee yeh aarju hai phir aahe bhara kare
Unako bitha ke samane bate kiya kare
Rutha hai koyee dard mere dil me rah gaya
Maine kya kiya sitam yeh maine kya kiya
Ik sathee mila tha ulafat kaa usako bhee kho diya
Maine kya kiya
