Jiyo toh aise jiyo jaise sab tumhara hai  
Maro toh aise ki jaise tumhara kuchh bhi nahi  
Yeh ek raj hai ki dooniya naa jisko jan saki  
Yahi woh raj jo jindagi se hasil hai  
Tumhi kaho yeh raj tumhe kaise samajhau  
Ke jindagi ki ghutan jindagi ki katil hai  
Har ek nigah ko yeh kudrat kaa ishara hai  
Jiyo toh aise jiyo  
Jaha me aa ke jaha se khinche khinche naa raho  
Woh jindagi hi nahi jisme aas bujh jaye  
Koyi bhi pyas dabaye se dab nahi sakati  
Isi se chain milega ki pyas bujh jaye  
Yeh kehke mudata huwa jindagi kaa dhara hai  
Jiyo toh aise jiyo  
Yeh aasman, yeh jamin, yeh faja, yeh najare  
Taras rahe hain tumhari ik najar ke liye  
Najar chura ke har ek shai ko yu naa thukrao  
Koyi sharike safar dhundh lo safar ke liye  
Bahut karib se maine tumhe pukara hai  
Jiyo toh aise jiyo
