Just chill, chill, just chill 7
Soniya dil se mila de, soniya dil se mila de dil
Just chill, chill, just chill - 3
Bairiya dil se mila de, bairiya dil se mila de dil
Just chill, chill, just chill - 3
Ham bhee tere aashik hain, kabhee too humse bhee aa ke mil
Just chill, chill, just chill - 3
Jab sham dhale sham dhale, arman jage arman jage
Jab sham dhale arman jage, teraa hee jadu chale dilruba
Oh tere bina dil na lage, teraa hee chehra dikhe har jagah
Janiya teree ada hai, janiya teree ada hai katil
Just chill, chill, just chill - 3
Mujhe chum le chum le, jara jhum le jhum le
Mujhe chum le jara jhum le, inn mastiyon me bhee hai ek maja
Jisne kiya usko pata, hai ishk hai jane man ek nasha
Mahiya dil kee lagee hai, mahiya dil kee lagee hai mushkil
Just chill, chill, just chill - 3
Ham bhee tere aashik hain, kabhee too humse bhee aa ke mil
Just chill, chill, just chill - 3
Just chill
