Yahan se kahan jaaun
Kahan main chhup jaaun
Ye aadha sa dil
Main kaise lagaauHoon khud se judaa main
Hoon khud se alahada
Ye aadha sa dil
Main kaise basaaun
(alahada means: alag/separated)O roothe dil, roothe dil, roothe dil
O jhoothe dil, jhoothe dil, jhoothe dil
O toote dil, toote dil, toote dil
Hai kya teri mushkil
O Just go to Hell DilJust go to hell
O dilâ€! just go to hell
Dilâ€! just go to hell
O dilâ€! just go to hell DilHai meri ghalti
Ya khud ki khata tu
Sharminda dil bas itna bata tu Ke ab kya paana
Ke ab kya khona
Sharminda dil bohat hua ronaRoothe dil, roothe dil, roothe dil
O jhoothe dil, jhoothe dil, jhoothe dil
Toote dil, dil, toote dil
Hai kya teri mushkil
O just go to hell dilJust go to hell
O dil.. just go to hell
Dilâ€! just go to hell
O, O dil.. just go to hell Dilâ€!Dardon ki aadat si lag gayi hai
Aansu bhi meri hansii udaaye
Deti hoon khud ko main kharashein kyun nayi
Koyi mujhko mujhse hi bachayeO roothe dil, roothe dil, roothe dil
Jhoothe dil, jhoothe dil, jhoothe dil
Toote dil, toote dil, toote dil
Hai kya teri mushkil
