Aaye hay, kaan me jhumaka, chaal me thumka, kamar pe chotee latke  
Ho gaya dil kaa, purja purja, lage pachaasee jhatke, ho teraa  
Ranga hai nashila, ang ang hai nashila -2  
Nashe se palake tanee-tanee, jaana pe meree banee banee  
Chadhatee jawaanee teree, kaise sambhaale tu  
Husn teraa matwaala hai, aaree kiske liye sambhaala hai  
Banu rakhawala, kar de mere hawaale tu  
Teree yeh jawaanee, albelee, yeh pachelee, hai akelee  
Mujhe sathee bana le ha  
Inn julfo me ulajh ulajh ke, kayee musaafir bhatake  
Ho gaya dil kaa purja-purja, lage pachaasee jhatke, ho teraa  
Ranga hai nashila, ang ang hai nashila  
Teree maang me jo mai sindur bhar du  
Toh har rat ko chaandaneer raat kar du  
Tujhe khinch kar apane dil se laga lu  
Jamin par tujhe mai khud se mila du  
Aisee karunga mai divaanee, mastaanee, o jaanee  
Jara najare mila le, samajhee  
Armaano ke khule dariche, aaja jara simatke  
Ho gaya dil kaa purja purja, lage pachaasee jhatke ho teraa  
Ranga hai nashila, ang ang hai nashila  
Bol kahu mai khare khare, jaatee hai kyon pare  
Teree jindagee me aaja, pyaara ko basa du mai  
Pas agar tu aa jaaye, saans saans takara jaaye  
Dil kyon dhadakata hai, tujhako dikha du mai  
Tir pe tir chalaake, muskaake, sharmaake, mujhe pasa bulaale  
Vahee pe mele, lag jaaye tu dekhe jaha palat ke  
Ho gaya dil kaa purja purja, lage pachaasee jhatke ho teraa  
Ranga hai nashila, ang ang hai nashila  
Kaan me jhumaka, chaal me thumaka, kamar pe chotee latke  
Ho gaya dil kaa purja purja, lage pachaasee jhatke ho teraa  
Ranga hai nashila, ang ang hai nashila
