Tumko bhee hai khabar, mujhko bhee hai pata  
Ho raha hai juda dono kaa raasta  
Dur jake bhee mujhse, tum merree yado mai rehna  
Kabhee alvida naa kehna  
Tum ko bhee hai khabar, mujhko bhee hai pata  
Ho raha hai juda dono kaa raasta  
Dur jake bhee mujhse, tum merree yado mai rehna  
Kabhee alvida naa kehna  
Jitane thee khushiyam sab kho chukee hai  
Bas ek gham hai kee jata nahee  
Samjha ke dekha behla ke dekha, dil hai kee chain isako aata nahee  
Aarju hai kee hai angadayee, aag hai kab aankho se behna  
Kabhee alvida naa kehna  
Rut aa rahee hai rut ja rahee hai, dard kaa mausam badla nahee  
Rang yeh halka itna hai gehra, sadiyo mai hoga halka nahee, halka nahee  
Kaun jane kya hona hai, ham ko hai abb kya kya sehna  
Kabhee alvida naa kehna  
Tum ko bhee hai khabar, mujhko bhee hai pata  
Ho raha hai juda dono kaa raasta  
Dur jake bhee mujhse, tum merree yado mai rehna  
Kabhee alvida naa kehna
