Kabhee too chhalia lagta hai, kabhee divaana lagta hai
Kabhee anaadee lagta hai, kabhee awara lagta hai
Too jo achcha samjhe yeh tujhpe choda hai
Tujhse yeh jivan bhar kaa maine naata joda hai
Kabhee too lulee lagatee hai, kabhee too julie lagatee hai
Kabhee too chandnee lagatee hai, kabhee too paapee lagatee hai
Too jo achcha samjhe, yeh tujhpe choda hai
Tujhase maine jivan bhar kaa naata joda hai
Tere mere bich me divaar naa ho koyee
Mai intekaam lunga dushman ho jo koyee
Hai naya jamaana hathkadee lagengee
Bhadkenge woh sholay toh duniya jalengee, duniya jalengee
Kabhee too jugnu lagata hai, kabhee too junglee lagata hai
Kabhee too funtush hai, kabhee too ajaad lagata hai
Too jo achcha samjhe, yeh tujhpe choda hai
Tujhase maine jivan bhar kaa naata joda hai
Lala la la lalla la la la la lalla.....
Ek duje ke liye kurbaanee ham denge
Ham toh paagal preme bandhan tod denge
Nadiya kee pyaar hai pyaar kee manjil
Maine pyaar kiya hai gaayenge yeh do dil -2
Kabhee too shabnam lagatee hai, kabhee chingaaree lagatee hai
Kabhee too naagin lagatee hai, kabhee too jogan lagatee hai
Too jo achcha samjhe, yeh tujhpe choda hai
Tujhase maine jivan bhar kaa naata joda hai
Aayee milan kee bela gaaye dil taraana
Dur gagan kee chhaanv me banaaye aashiyaana
Hongee kal kee daastan apna dostaana
Hamse badhkar kaun hai hamse hai jamaana -2
Kabhee too leader lagata hai, kabhee too loafer lagata hai
Kabhee too hero lagata hai, kabhee too joker lagata hai
Too jo achcha samjhe, yeh tujhpe choda hai
Tujhase maine jivan bhar kaa naata joda hai
