Kabhee yeh na puchhana ham kitanee mohabbat karte hain  
Jab se ham ko mohabbat huyee hai  
Ham sirf mohabbat karte hain, sirf mohabbat karte hain  
Kabhee yeh na puchhana ham kitanee mohabbat karte hain  
Jab se ham ko mohabbat huyee hai  
Ham sirf mohabbat karte hain, sirf mohabbat karte hain  
Kabhee yeh na puchhana ham kitanee mohabbat karte hain  
Tumhe dekhte hain toh chalatee hain saanse  
Tum na milo toh machalatee hain saanse  
Idher bhee sanam bas yahee bura haal hai  
Tanaha rahee toh jalatee hain saanse  
Kabhee yeh na puchhana, ham kitna tumpe marte hain  
Tere sang jab se jine lage hain  
Ham sirf tumhee pe marte hain, sirf tumhee pe marte hain  
Kabhee yeh na puchhana, ham kitanee mohabbat karte hain  
Hame apne dil me kahee tum chhupa lo  
Kuchh duriya hain inhe bhee mita do  
Chale aayenge ham baaho me teree  
Hame ab kiisee naam se tum bula lo  
Kabhee yeh na puchhana, ham aur ko chaahat karte hain  
Yu hee hamesha chaaho hame tum  
Ham sirf yeh chaahat karte hain, sirf yeh chaahat karte hain  
Kabhee yeh na puchhana, ham kitanee mohabbat karte hain
