Kabhee khushbu, kabhee jhonka, kabhee hawa sa lage
Juda hokar bhee tu mujhse juda juda sa lage
Kabhee khushbu, kabhee jhonka, kabhee hawa sa lage
Bas yahee sochkar raato ko, main nahee sota
Neend aayee toh teraa khwaab chala aayega
Phir subah jab khulengi aankhen merree
Tu bhee subah ko sitaare sa chala jaayega
Aake abb yuun teraa jaana bura bura sa lage
Juda hokar bhee tu mujhse juda juda sa lage
Kabhee khushbu, kabhee jhonka, kabhee hawa sa lage
Koyee dastak, koyee aahat, koyee aawaz nahee
Tu dabe paanv khayalo me chala aata hai
Baarha aisa bhee mahsus huwa hai mujhko
Aake chup-chaap tu pahu me baith jaata hai
Tu kahee aaj bhee mujhame jinda jinda sa lage
Juda hokar bhee tu mujhse juda juda sa lage
Kabhee khushbu, kabhee jhonka, kabhee hawa sa lage
Aaj bhee lams dhadakte hain mere sine me
Aaj bhee teree khanakti see sada aati hai
Aaj bhee jism sulagata hai, teree saanso se
Aaj bhee ruh me halchal mere mach jaatee hai
Dil teree yaad se abb yuun bhara bhara sa lage
Juda hokar bhee tu mujhse juda juda sa lage
Kabhee khushbu, kabhee jhonka, kabhee hawa sa lage
Juda hokar bhee tu mujhse juda juda sa lage
