Kadam kadam pe bahare lutata, yeh kaun aaya hai aanchal udata  
Teree najar ka mila jo ishara, toh aa gaya koi daman bachata  
Najar me shokee labo pe mastee, tumhee batao yeh kaisee ada hai  
Jara sanbhalake milao aankhe, ke phir na kahana hamaree khata hai  
Meree kataon pe yu muskurata, yeh kaun aaya hai aanchal udata  
Teree najar ka mila jo ishara  
Yeh kaisee halchal uthee hai dil me, ke chalte chalte kadam dagamagaye  
Nayee nayee hai abhee mohabat, na jane aage yeh kya gul khilaye  
Teree mohabbat ne jab hee pukara, toh aa gaya koi daman bachata  
Kadam kadam pe bahare lutata
