Kahaaan ja raha tha kahaan aa gaya hoon
Na mujhako pata hai na dil ko khabar hai
Koyi iftada na koyi inteza hai
Safar yeh mohabbat ka kaisa safar hai
Kahaaan ja raha tha kahaan aa gaya hoon
Kahaaan ja raha tha
Woh rangin nagama kahaan kho gaya hai
Mera saaj khaamosh kyun ho gaya hai
Woh jajaba jo mushkil se maine jagaaya
Woh phir jaagatae jaagate so gaya hai
Na jhonka hawa ka na pehali si khushbu
Yeh phulon ki basti ya kaanto ka ghar hai
Kahaaan ja raha tha kahaan aa gaya hoon
Kahaaan ja raha tha
Woh jisake liye yeh andhere kharide
Ujaale ki kimat bhi usako bata doon
Kabhi jindagi ki duwa thi jisako
Use bewafaayi ki kyun na saja doon
Use bewafaayi ki kya main saja doon, saja doon, saja doon
Yahaan se aane na jaane ka rasta
Magar katl ke waaste rehgujar hai - 3
