Kahi chandani hai kahi hai andhera
Kahi chandani hai kahi hai andhera
Ye zaalim zamana na tera na mera
Ye zaalim zamana na tera na mera
Koi usse puche
Fiza ki bahare fiza ki bahare
Koi usse puche
Fiza ki bahare fiza ki bahare
Baharo mein ujda ho jiska basera
Baharo mein ujda ho jiska basera
Ye zalim zamana na tera na mera
Ye zalim zamana
Mujhe maut ki neend sone do humdum
Mujhe maut ki neend sone do humdum
Sone de humdum meri shame gum ka
Meri shame gham ka nahi hai savera
Ye zaalim jamana na tera na mera
Ye zaalim zamana
Khushi meri duniya mein aayi magar yun
Khushi meri duniya mein aayi magar yun
Ke mele me jaise ho
Mele me jaise ho jogi ka phera
Ye zaalim jamana na tera na mera
Ye zaalim zamana
Kahi chandani hai kahi hai andhera
Ye zaalim zamana na tera na mera
Ye zaalim zamana na tera na mera.
