Kahi julf kaa badal o ho, kahi rangni aanchal aa haa  
Kahi honth gulabi o ho, kahi chāl sharabi aa haa  
Kahi aankh me jadu o ho, kahi jism ki khushbu aa haa  
Kahi narm nigah o ho, kahi gori bahe aa haa  
Ha yahan kadam kadam par lakho hasinaye hain  
Ham magar yeh dil kaa tofa dene use aaye hain  
Woh ladki jo sabse alag hai - 4  
Kitne hi jalwe hai, aankho me ghulti hai jaise chandni  
Kitni hi ho bate hai, kano me ghulti hai jaise ragini  
Yeh chale jaise jara balkhake, woh chale jaise jara ithlake  
Yeh mile jaise jara sharmake, woh mile jaise jara itarake  
Ha yahan kadam kadam par lakho hasinaye hain  
Ham magar yeh dil kaa tofa dene use aaye hain  
Woh ladki jo sabse alag hai - 4  
Gulshan ki hai woh kali, jo sare phulo se bilkul hai juda  
Kya kahiye ho dekha hai, inn aankho ne aisa rup kya  
Kya ajib si tajagi hai, kya hasin si sadagi hai  
Kya ajib si dilkashi hai, kya hasin si dilbari hai  
Ha yahan kadam kadam par lakho hasinaye hain  
Ham magar yeh dil kaa tofa dene use aaye hain  
Woh ladki jo sabse alag hai - 4  
Ha yahan kadam kadam par lakho hasinaye hain  
Ham magar yeh dil kaa tofa dene use aaye hain
