Tere bina jeene mein
Dil ka haal ye hoga
Kahaan thi yeh khabar
Ek alvida kahaa
Roz hi bichhad raha tu humsafar
Kahin se chali aa maan le kaha
Lagaye naa lage jiya saathiya
Kahin se chali aa maan le kahaa
Lagaye naa lage jiya saathiya
Leharon mein behate ho
Phoolon mein khilte ho
Chehre badal badal ke milte ho
Abhi abhi rang ban ke chhaye
Shaakho pe leharaye
Kya mere sang tum
Yahaan chale aaye
Waqt ye rooth ke
Haath se chhoot ke
Phir aaye naa aaye
Kahin se chali
Aa maan le kahaa
Lagaye naa lage
Jiya saathiya
Hoo
Main hi toh thi thi woh ghata
Hum dhoop mein jo chhaye the
Nazar kaise aati tumhe
Main hawaa bann ke aayi thi
Lagati hai tumhare seene
Se jagti hu soti hoon
Jab koi hota nahi
Mere paas hote ho
Dekh tere bina
Soone hain do jahaan
Tu jaane na jaane
Naa teri aahatein hai
Naa teri sadaa
Hota hai koi kya
Aise bhi judaa
Kahin se chali
Aa maan le kahaa
Lagaye naa lage
Jiya saathiya
Kahin se chali aa.
