Kahin to kahin to hogi wo duniya jahan tu meri sath hai
Jahan mai jahan tu aur jahan bus teri meri jabat hai aur
Jahan subha teri palkon ki kirno me lori jahan chandki sone de baho me
Jane na kahan wo duniya hai jane na wo hai bhi ya nahi
Jahan
meri zindagi mujse itani khafa nahi
Sanse ho gayi hai kiski ahome mai kho gayi hunhu jane kiski baho me
Manjilose rahe dundati chali aur kho gayi hai manjil kanhi raho pe
Kanhi to kanhi to hai nasha teri meri har mulakat me
Otose otoko chumti wo rahete har bat pe
Kaheti hai fiza jahan meri jamee aasma
Kahan hai tu
meri hansii meri khushi meri
jahan
Jane na kahan wo duniya hai jane na wo hai bhi ya nahi
Jahan
meri zindagi mujse itani khafa nahi
