Kaisa lagta hai, achchha lagta hai  
Pyar kaa sapna sachcha lagta hai  
Too jo karib hai mera nasib hai  
Dil me basi hai too meri khushi hai too  
Tere bina ik pal mujhe naa rehna  
Kaisa lagta hai.....  
Har taraf khushiyo kaa mausam hai yaha, hamne pehli bar dekha yeh jaha  
Ghum ki duniya se ham chale aaye, dur hain hamse dard ke saye  
Aa duwa mang le kuchh bhi ho abb dukh pade naa sehna  
Kaisa lagta hai.....  
Pyar ke wade kabhi naa todna, tum kabhi tanha naa hamko chhodna  
Aansuo ko ham pi naa payenge, ham juda hoke ji naa payenge  
Aa kasam kha ke ham maanenge hamesha ik duje kaa kehna  
Kaisa lagta hai.....  
Mang teri saja du mai aaja bindiya laga du mai  
Lal chunari odha du mai dulhan bana du mai  
Hatho se tera singar karu, baho me bhar ke pyar karu  
Rup mai sanwar du aaja pehna du tujhe phulo kaa gehna  
Kaisa lagta hai.....  
Jo log kehte hain kehne do sanam, ham naa todenge kabhi apni kasam  
Sath ho jiske hamsafar aisa, phir jamane kaa darr use kaisa  
Hai yahi aarju sukh dukh tere sang hame hai sehna  
Kaisa lagta hai.....
