Ho o o o o... ho ho ho ho.....  
Kaise mujhe tum mil gayi, kismat pe aaye na yakin  
Utar aayi jheel mein, jaise chaand utarata hai kabhi  
Houle haule, dheere se  
Gunguni dhup ki tarah se tarannum main tum  
Chhuke mujhe gujari ho yu  
Dekhu tumhe, ya main sunu  
Tum ho sukun, tum ho junun  
Kyun pehle na aayi tum  
Kaise mujhe tum mil gayi, kismat pe aaye na yakin  
Main toh yeh sochata tha, ke aaj kal uparwale ko fursat nahi  
Phir bhi tumhe banaake woh, meri nazar mein jad gaya  
Rutbe main woh aur badh gaya  
Aa aa aa aa aa aa.....  
Badale raaste jharne aur nadi, badale dip ki tim tim  
Chhede zindagi dhun koi nayi, badali barkha ki rimjhim  
Badlengi rituye ada, par main rahungi sada  
Usi tarah teri baaho mein baahne daalake, har lamaha, har pal  
Aa aa aa aa aa.....  
Jindagi sitaar ho gai, rim jhim malhaar ho gai  
Mujhe aata nahi kismat pe apani yakin  
Kaise mujhko mil gayi tum
