Baadalon ke sehare pe  
Lehraati hai aanchal woh kabhi  
Chanda sharmaaye chhup  
Jaaye ruk jaaye aise woh kahin  
Banaake deewana kuchh  
Tum kuchh woh kuchh jamaana  
Yeh tanhaayi hai kaisi rut aayi hai  
Juda ho jaau ain abhi sanam harjaayi hai  
Gumsum rehate hai yeh, tanaha rehate hai  
Saat rang dhalake apana rang badalate hai  
Dharati nadiya khula aasmaan  
Ajab yeh afsana,  
Kise kya batlaana  
Samajh na aaye toh  
Diyon bas itana kar jaana  
Har ek dil mein rehate hai  
Aisi armaan koi  
Aise pal bhi aa kuchh  
Deke leke jaaye soche na kabhi  
Jara woh sun ja na,  
Duniya phir aaj chali hai kahaan  
Dheere ja re dheere ja,  
Chalata ja ruk nahi  
Kaun hai kahaan hai  
Bhai yeh kisko hai padi  
O yeh jamaana kaisa aajmaana,  
Kuchh bhi banaake daastan  
Se paar huwa hai, dil se yaar huwa  
Samajhake pyaar jise yeh dil bejaar huwa  
Ek pal khilate hai, phir murjhaate hai  
Kaun jaane karke aisa kya dikhate hai  
Dharati nadiya khula aasmaan  
Lehraake dil behala le ja,  
Hasana toh hai  
Ek bahane se bhadke to  
Yeh duniya khush nahi  
Samajh ke samjhaana  
Kuchh tum, kuchh woh,  
Kuchh jamaana.
