Kaisi ye judai hai aankh bhar meri ayi hai
Mera dil doob raha ise bas ab doob ne do
Ye peheli bhar huwa ye kyun ehasas huwa
Mera dil toot raha ise bas ab toot ne do
Kaisi ye judai hai aankh bhar meri ayi hai
Mera dil doob raha ise bas ab doob ne do
Khush rahe bas tu mere dil ki yeh duwa hai
Khud se pooch le tu tere dil ki kya raza hai
Jaan le lo meri tere dil mein jo dhaba hai
Ye toh bata mujhse juda kyun hai
Ek baat sataathi hai jab teri yaad aati hai
Kyun mujhse root gaya jaane kyun door gaya
Ye peheli bhar huwa ye kyun ehasas huwa
Jaane anjaane kyun mujhe tumse pyaar huwa
Hanse hans ke rotha hoon rothe rothe hanstha hoon
Phir khud se keheta hoon jo hona tha ho hi gaya
