Tu meri zindagi hai jine ki har khushi hai  
Tere har khwab ko sajane main sajane aaya  
Tu meri aashqi hai dil ki diwaanagi hai  
Duri jo darmiya mitaane main mitaane aaya  
Hey doli sajaunga tujhko bithaunga  
Le jaaunga aaj main  
Kal kissne dekha hai kal kissne dekha  
Kal kissne dekha hai kal kissne dekha  
Main aahein bharta hoon  
Jita hoon marata hoon  
Teri nigaho ka nishana hoon  
Tera hi hona hia tujhame hi khona hai  
Teri adaa ka diwaana hoon  
Sabko dikhaaunga wada nibhaaunga  
Le jaaunga aaj main  
Kal kissne dekha hai kal kissne dekha  
Kal kissne dekha hai kal kissne dekha  
Masti ki raate hain masti ki baate hain  
Aaj ghadi ko ji le ji bhar ke  
Yeh pal na khona hai hoga jo hona hai  
Duniya mein jina kya bhala darr ke  
Naachunga gaaunga sabko nachaunga  
Le jaaunga aaj main  
Kal kissne dekha hai kal kissne dekha  
Kal kissne dekha hai kal kissne dekha.
