Kalee ek tumse puchhu baat kee jab hotee hai aadhee raat  
Kaun bhanvara banake chupchap teree bagiya me aata hai  
Churaake teraa mann le jaata hai  
Kalee se kahe puchhe baat, pyaar me hotee hai yeh ghaat  
Nain ke jab chalute hain ban, ban kaa jaadu chhata hai  
Bichaara khinch khinch aata hai  
Nirday bhanvara kyon kunjari kee galee galee me ghumata  
Kaun bharosa kare jo phirata kalee kalee ko chumata  
Paarakh karata bhanvara din raat kaun woh kalee jo deve saath  
Kamalinee se jab milate hain nain, chain mann kaa kho jaata hai  
Rain bhar bandh bandh jaata hai  
Sang nibhe naa kalee hai, goree bhanvar kaa kaala rang re  
Kaare badarava se puchho, jo rakhe bijuriya sang re  
Madhur gore kaale kaa saath ke jyon milate hain din raat  
Raat kaaree sang gora chaand, milan kaa ras rachaata hai  
Kalee sang bhanvara gaata hai.....
