Kandho se milate hain kandhe, kadmon se kadam milte hain
Ham chalte hain jab aise toh dil dushman ke hilte hain
Abb toh hame aage badte hai rehna
Abb toh hame sathee hai bas itna hee kehana
Abb jo bhee ho shola banke pathar hai pighlana
Abb jo bhee ho badal banke parbat par hai chhana
Kandho se milte hain kandhe, kadmon se kadam milte hain
Ham chalte hain jab aise toh dil dushman ke hilte hain
Nikle hain maidan me ham jan hatheli par le kar
Abb dekho dam lenge ham jake apanee manjil par
Khataro se haske khelana, itani toh ham me himmat hai
Mode kalai maut kee, itani toh ham me takat hai
Ham sarhado ke waste lohe kee ik diwar hai
Ham dushmano ke waste hoshiyar hai taiyar hai
Abb jo bhee ho shola banke pathar hai pighlana
Abb jo bhee ho badal banke parbat par hai chhana
Kandho se milte hain kandhe, kadmon se kadam milte hain
Ham chalte hain jab aise toh dil dushman ke hilte hain
Josh dil me jagate chalo, jit ke git gate chalo
Jit kee jo tasvir banane ham nikle hain apanee lahu se
Hamko uss me rang bharna hai
Sathee maine apne dil me abb yeh than liya hai
Ya toh abb karna hai, ya toh abb marna hai
Chahe angare barse ke bijli gire, tu akela nahee hoga yara mere
Koi mushkil ho ya ho koi ho morcha
Sath har mod par hongee sathee tere
Abb jo bhee ho shola banke pathar hai pighlana
Abb jo bhee ho badal banke parbat par hai chhana
Kandho se milte hain kandhe, kadmon se kadam milte hain
Ham chalte hain jab aise toh dil dushman ke hilte hain
Ik chehra aksar mujhe yad aata hai
Iss dil ko chupke chupke woh tadpata hai
Jab gharse koi bhee khat aaya hai
Kagaj ko maine bhiga bhiga paya hai
Palko palko pe yado ke kuchh dip jaise jalte hain
Kuchh sapane aise hain, jo sath sath chalte hain
Koi sapana naa tute koi wada naa tute
Tum chaho jisse dil se woh tumase naa ruthhe
Abb jo bhee ho shola banke pathar hai pighlana
Abb jo bhee ho badal banke parbat par hai chhana
Kandho se milte hain kandhe, kadmon se kadam milte hain
Ham chalte hain jab aise toh dil dushman ke hilte hain
Chalta hai jo yeh karvan, gunji see hai yeh wadiyan
Hai yeh jamin yeh aasman, hai yeh hawa hai yeh sama
Har raste ne, har wadi ne har parbat ne sada dee
Ham jitenge ham jitenge ham jitenge har baji
Kandho se milte hain kandhe, kadmon se kadam milte hain
Ham chalte hain jab aise toh dil dushman ke hilte hain - 4
Chalta hai jo yeh karvan, gunji see hai yeh wadiya
