Eh eji re eh.....
Kanha teree basuree le jaye meree jana
Kanha teree basuree le jaye meree jana
Aur bhee hai gopiya tu mohe naa satana
Kanha teree basuree le jaye meree jana
Hey ho eh halo
Radha kaa hal dekhee darata hai mora jiya
Meera huwee bawaree bas, karatee hai piya piya
Hay mar jaungee tu mohe naa lubhana
Kanha teree basuree le jaye meree jana
Ho matee kee gagar teree, ghat ghat tod gaya
Tune kitna chhupaya, woh makhan chor gaya hey ho
Ninde churake meree, tune aaram kiya
Sakhiya hase moree, mohe badnam kiya
Bholee bhalee ankhiya hai, tu toh hai saiyanee
Bholee bhalee ankhiya hai, maro helo sambhado jee
Ho jee re maro helo sambhado jee
Helo sambhado jee, ho jee re, maro helo sambhado jee
Kanha teree basuree le jaye meree jana
Aur bhee hai gopiya tu mohe naa satana
Kanha teree basuree le jaye meree jana
Hey ho eh halo
Radha kaa hal dekhee darra hai mora jiya
Meera huwee bawaree bas, karatee hai piya piya
Hay mar jaungee tu mohe naa lubhana
Kanha teree basuree le jaye meree jana
Nigode naina teree aur bas khinche chale
Sawre sapane saje, sawri sanj dhale, eh ho
Rat me rang bhare rang se kaise bachu
So gaya gokul sara, nach ke mai naa thaku
Maiya yashoda tu hee mujhe bachana, han mujhe bachana
Helo sambhado jee, ho jee re, maro helo sambhado jee
Hey kaho masi gati thee, eh masi ma thee
Jit lagatee, rang lati, mandir mahel aati
Sab eh suhati, medar khati gajgati
Birhe jal jati nind naa aati, likh naa pati morari
Kahe radhe pyaree mai balihari
Gokul aawo giridhari eh jee re gokul aawo
Giridhari eh jee re gokul aawo giridhari
Eh ubhi ubhi aambla kare re pukar
Sobhe te ramta phirne kane gyo awaj
Maro helo sambhado jee, oh jee re maro helo sambhado jee
Helo sambhado jee, ho jee re, maro helo sambhado jee
Hey taru gokudiyu gamtu nathi jee re
Ane oli jamuna ena te bahu khalee chhe
Pan mara wala mara wala aawe re
Eh te toh sijne karavya shamda
